Lifeline South Coast (NSW)

Mission

To provide social, emotional and mental health support services to the communities we serve

Vision

To be there for the community as life happens

Values

We believe in

- The dignity of life
- The acceptance of all people
- The Christian values of love and compassion as shared by other faith and belief traditions
- Working ethically
- Being available
- The opportunity that crisis presents for personal change
- Valuing and nurturing the spirit of volunteerism
- Maintaining the highest standards of service delivery
- The privilege and importance of the relationship with those we serve
- A strong sense of community
- The need to embrace change
